For the more sportive people: you can walk up to the **Drielandenpunt**, where the borders of Belgium, the Netherlands and Germany come together. This is also the highest point of the Netherlands and the area has nice hiking routes into the forest nearby. For directions: click [here](#).

HOW TO GET THERE?

In case you fly to Cologne or Düsseldorf airport, please travel by train to Aachen central station. From here you can easily take a bus (27 minutes trip) to the bungalow park in Vaals.
